FRIENDS UNIVERSITY CONCERT CHOIR

presents

Rise! Shine!

We are so glad you are here to share this evening of music with us and grateful for your support. The music tonight takes a look at the journey through our security in Christ through life and death, despair and loss, and his gentle leading through each day that enables us to rise above our circumstances and shine. These singers are mostly freshmen and sophomores. The past two years have brought disappointments and losses that cannot be recovered, but they have redeemed them with hard work and a chance to sing together and you are the recipients of their thankfulness through song.

We are also excited to share the stage with our friends from the Friendship Fields class. It has been a joy and blessing to work with them and to perform with them tonight. You will see their enthusiasm is contagious!

BIOGRAPHIES

Rolaine Hetherington

Rolaine Hetherington, assistant professor of music, has been at Friends University since 1993, first as an adjunct professor and since 2011 as full-time. Mrs. Hetherington teaches studio voice, directs the Concert Choir (since 2003) and the Chamber Choir, and co-produces the music theatre and opera productions. The Concert Choir has had the privilege of performing at the Kansas Music Educators Association's Winter Workshop and at the Old Bruton Parish Church in Williamsburg, VA. Mrs. Hetherington has taught at the public school level and held positions at William Penn College in Iowa, and North Central Bible College and Crown College in Minnesota. As a graduate student she was the recipient of a Rotary International Scholarship to study lieder and oratorio in Austria. She has performed with the North Star Opera Company (MN), Opera Kansas, the Dale Warland Singers, the Minnesota Bach Society, Minneapolis Children's Theatre, the Oregon Bach Festival, Wichita Chamber Chorale, Music Theatre of Wichita, the National Orchestra of Wales, and been a soloist with numerous regional choirs throughout the Midwest. She serves regularly as an adjudicator for the regional National Association of Teachers of Singing, KSHAA, and area choir festivals. Fun trivia: She was in a backup choir for a concert version of CHESS with Benny Anderson and Bjorn Ulvaeus of the pop group ABBA at the piano and conducting, respectively. And, her most famous voice student is probably Junior the Asparagus of Veggie Tales (the voice of Lisa Vischer).

Pat Walcher

Pat received the Bachelor of Music Education degree with a minor in organ performance from Hastings College, Hastings, NE. She also holds a Master of Science degree with emphasis in music education and Library Media Specialist certification from Emporia State University. She has served as an organist, accompanist, public school and adjunct music teacher, elementary library media specialist, children's choir and handbell choir director throughout her career.
