NOTE FROM THE ARTISTIC DIRECTOR

WELCOME TO THE 71st SYMPHONY OF SPRING

Symphony of Spring is a collaborative production which brings together professors and students from a variety of disciplines in the Division of Fine Arts. In addition to the live performance on stage and in the pit, behind-the-scenes student projects include orchestration of musical selections, choreography, set preparation, costume production, and stage production/management. The show fulfills educational outcomes while reaching out to the Wichita community.

We hope you enjoy the show!
